Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Sebastian G. B. of the NORD AMERICA from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 89 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a crime or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 26 day of Sept, 1906

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
 Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
 Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
 Column 6 (Calling or occupation).—The entry in column 6 should describe as soon as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply be engineer, polisher, molder, turner, or other indefinite designations.
 A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
 A farmer is one who operates a farm, either for himself or others.
 A farm laborer is one who works on a farm for the man who operates it.
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
 Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to run through in transit, should be classed as "tourists" under head of occupation.
 Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
 Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
 Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
 Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
 The term "Cuban" refers to the Cuban people (not Negroes).
 WEST INDIAN.
 "West Indian" refers to the people of the West Indies (other than Cuba (not Negroes)).
 SPANISH-AMERICAN.
 "Spanish-American" refers to the people of Central and South America of Spanish

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Brazil, or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
 Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether in possession of a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show fully by whom passage was paid, as self, husband, father, friend, steamship company, etc.

Column 14 (Whether in possession of a passport).—The entry in column 14 should give in each case the answer.

Money transmitted to relatives in the United States should be shown in column 15.

Column 16 (Whether in possession of a passport).—The entry in column 16 should give in each case the answer.

Column 17 (Whether in possession of a passport).—The entry in column 17 should give in each case the answer.

Column 18 (Whether in possession of a passport).—The entry in column 18 should give in each case the answer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1: Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2: Sex.—The entry in column 2 should be either M (male) or F (female).
Column 3: Married or Single.—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4: Calling or occupation.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationery engineer, bookbinder, musician, manager, house painter, coal polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Stevedores and **longshoremen** should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the immigrants.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming ashore for a temporary sojourn in the United States, but not intending to pass through in transit, should be listed as "foreign" under head of occupation.
Column 5: Able to read and write.—Column 5 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.
Column 6: Nationality.—Column 6 should be construed to mean the country of which nationality is claimed or ship.
Column 7: Race or people.—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. An alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Treviso) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy, south of the basin of the River Po, (i. e., compartments of Liguria, Tuscany, the Maremma, Umbria, Romagna, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."
Column 8: Last permanent residence.—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that citizenship, company, or nationality should show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.
Column 9: Place of destination.—The entry in column 9 should show definitely the place, city or town of final destination.
Column 10: Whether ever before in the United States; and if so, when and where.—The entries in column 10 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.
Column 11: Being to join relative or friend; and if so, what relative or friend.—The entry in column 11 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Column 12: Money.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The returned age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

a. Farmers—those who operate a farm, either for himself or others.

b. Farm laborers—those who work on a farm for the man who operates it.

Stowage companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or No can read but not write.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people of which immigrant is a member.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

HISPANIC-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Lombardy, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that stowage companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens whose permanent residence is in the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; stowage company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1884-87, Philadelphia.

Column 14 (Name of relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2. Sex.—The entry in column 2 should be either M (male) or F (female).
Column 3. Married or single.—The entry in column 3 should be either M (married) or S (single).
Column 4. Occupation.—The entry in column 4 should show the occupation, trade, or profession of each alien named, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
Column 5. Laborer.—A distinction should be made between *farmers* and *laborers* regardless of the amount of money shown, as follows:
A. Farmers.—One who operates a farm, either for himself or others.
B. Laborers.—One who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of all aliens.
Aliens, according to law, through and out of the United States, should be grouped under head of occupation as "in transit." These coming only for temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 6. Able to read and write.—Column 6 is divided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write.
Column 7. Nationality.—Column 7 should be construed to mean the country of which the alien is a citizen or subject.
Column 8. Race or people.—The entry in column 8 should show the race or people as given in list on reverse sheet of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully passed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po, in northern Italy, i. e., compartments of Lombardy, Piedmont, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descent, are classified as "Italian (North)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Liguria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descent, are classified as "Italian (South)." Most of these people speak a dialect of the Italian language.

Column 9. Last permanent residence.—The entry in column 9 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be considered as United States citizens for country of last permanent residence.

Column 10. Place of destination.—The entry in column 10 should show definitely the place, city or town of final destination.

Column 11. Whether carrying a ticket to final destination.—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12. By whom was passage paid.—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 13. Whether in possession of \$20, and if less, how much.—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 14. Whether ever before in the United States, and if so, when and where.—The entries in column 14 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 15. Giving to you relative or friend, and if so, what relative or friend.—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 16 to 18.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

 felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2. Sex.—The entry in column 2 should be either M. male or F. female.
Column 3. Marital or single.—The entry in column 3 should be either M. married, S. single, W. widowed, or D. divorced.
Column 4. Occupation.—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien, and, for example, Civil engineer, stationary engineer, housewife, painter, bricklayer, brass-pusher, steel pusher, iron moulder, wood turner, etc., and not simply an unskilled laborer, turner, or other indefinite designation.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
Farmers are those who operate a farm, either for himself or others.
Farm laborers are those who work on a farm for the owner who operates it.
Stevedores and shipmen should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the manifest.
Aliens intended to pass through and out of the United States should be recorded under head of occupation as "in transit." Those engaged only for a temporary season in the United States, but not intending to pass through or transit, should be classed as "seasonal" under head of occupation.
Column 5. Place of birth and date.—Column 5 is subdivided and the entries thereon should be either Yes, No, cannot read and write, or No, cannot read nor write, or Yes, No, cannot read nor write.
Column 6. Nationality.—Nationality should be construed to mean the country of which an alien is a citizen or subject.
Column 7. Race or people.—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN-AMERICAN.

"African black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN-NORTH.

The people who are native to the basin of the River Po in northern Italy are, comparatively, Lombards, Ligurians, Venetians and Romans and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian north." Most of these people speak a dialect distinct from the Italian language.

ITALIAN-SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian south."

Column 8. First permanent residence.—Description in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that last permanent residence be shown for each alien, whether of last permanent residence independent of any country's last permanent residence, or not.
Aliens who have been in the United States and are returning from a visit abroad should be recorded as permanent residents of the United States for country of last permanent residence.

Column 9. Previous residence.—The entry in column 9 should show definitely the place, city or town, of first destination.

Column 10. Whether having a ticket, bond, and destination.—The entry in column 10 should be either Yes, ticket, bond, and destination, or No, no ticket.

Column 11. By whom was passport paid.—The entry in column 11 should show definitely by whom passport was paid, as self, for bond, father, brother, or other relative.

Column 12. Subject to possession of money.—The entry in column 12 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13. Whether in the United States, and if so, when and where.—The entries in column 13 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 14. Going to join relative or friend, and if so, what relative or friend.—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2: Sex. The entry in column 2 should be either M (male) or F (female).

Column 3: Married or single. The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Admission is different from unemployment. The entry in column 6 should describe as accurately as possible the occupational title, trade, or profession of a candidate's arrival, such as, for example, (1) civil servant, stationary engineer, locomotive engineer, training engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

amount of money shown as follows:

- 1. *Owner* is one who operates a farm, either for himself or others.
- 2. *Agent* is one who works on a farm for the man who operates it.

Stumpage companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of other parts of the manifest.

Alarms intended to pass through and out of the United States should be recorded under label 430, space 1, "in transit." These alarms only for a temporary sojourn in the United States but not intended to pass through in transit, should be classed as "tourists," under head of occupation.

Column 1.— *Able to read and write.*—Column 1 is subdivided and the entries therein should be either Yes, Yes—can read and write, No, No—can neither read nor write, or Yes, No—can read but not write.

Yes. No. do read but not witness.
 (Nationality) Column 8 should be construed to mean the country of
 which the person is a citizen or subject.
 (Race) Race or people. The entry in column 9 should show the race or people
 as given in the on reverse side of which manifest.

Special attention should be paid to the distinction between race and nationality, and manifestos should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifesto does not necessarily mean "French" by race; and similarly, "French" appearing on a manifesto does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHRYN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

* "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

$$\lambda \in R_1 \cup \dots \cup R_N = (B_1 \cup \dots \cup B_N).$$

"African blood" refers to the African Negro, whether coming from Cuba or other islands, the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

Country, and city or town of last permanent residence. The entries in column 10 should show the country, and city or town of last permanent residence. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2.—The entry in column 2 should be either M (male) or F (female).
Column 3.—*Natural or native.* The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4.—*Occupation or employment.* The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or some indefinite designation.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifest and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under a name of occupation, "in transit," those intending to remain temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "passengers," under head of occupation.
Column 5.—*Place of birth and native.* Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, or No, No can neither read nor write, or Yes, No can read but not write.
Column 6.—*Nationality.* Column 6 should be construed to mean the country of which the alien is a citizen or subject.
Column 7.—*Race or people.* The entry in column 7 should show the race or people as given in the previous column of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALY (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Veneto and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak dialects of the Italian language.

ITALY (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Umbria, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 11 should show the exact place of birth of each alien.

It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11.—*Place of birth and native.* The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12.—*Whether he has a family in his last destination.* The entry in column 12 should be either Yes (tick) or No (no tick).

Column 13.—*By whom was passage paid.* The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14.—*Whether in possession of \$20, and if less, how much.* The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15.—*Whether ever before in the United States, and if so, when and where.* The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as 1894-95, Philadelphia.

Column 16.—*Whether he has relatives in United States, and if so, what relative or friend.* The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17.—*By whom.* The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2.—The entry in column 2 should be either M (male) or F (female).
Column 3.—Married or single. The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

A *farmer* is one who operates a farm, either for himself or others.
A *team laborer* is one who works on a farm for the hire of his own team.
Steamship companies should make this distinction on the manifests, and corporations should be made of necessity by inspectors and registry clerks during the personal examination of each alien.
Aliens returning to pass through and out of the United States should be recorded under their last occupation as "in transit." Those coming to the United States for the first time, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Column 7.—Race or people. The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew, by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**

- SPANISH-AMERICAN.**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Trentino) and their descendants whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN-SOUTH.
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardeña) and their descendants should be classed as "Italian (South)."

Column 8.—Last permanent residence. The entries in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, nationality, or race.

Column 9.—Place of destination. The entry in column 9 should show definitely the place, city or town, of final destination.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2. Sex.—The entry in column 2 should be either Male or Female.
Column 3. Marital or social condition.—The entry in column 3 should be either Married, Single, Widowed, or Divorced.
Column 4. Occupation or profession.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of all arrivals.
Aliens intended to pass through and out of the United States should be recorded under head of occupations "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5. Address and where.—Column 5 should be filled and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes-No (can read but not write).
Column 6. Nationality.—Column 6 should be construed to mean the country of which the alien is a citizen or subject.
Column 7. Race or people.—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" in nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1118

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Friuli) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8. Last permanent residence.—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that these entries accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens whose permanent residence is in the United States and are returning from a visit abroad, should be recorded in manifests as United States for country of last permanent residence.

Column 9. Final destination.—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10. Whether having a ticket to such final destination.—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11. Whether was passage paid.—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12. Whether in possession of \$100 and 1 less, how much.—The entry in column 12 should give in each case individual or family the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13. Whether ever before in the United States.—The entry in column 13 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.
Column 14. Going to join relative or friend.—The entry in column 14 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.
Column 15. Name.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Children - Age. The nature of an alien's claim should be dependent on age, and months, the date applying only to those under the age of age.

Children - Sex. Theoretically, sex should be other than male, or female.

Children - Marital Status. The entry in column 4 should be either M, married, or S, single. W, widowed, or D, divorced.

Children - Citizenship. The entry in column 5 should be ascertained as accurately as possible, the recorded facts of the alien's previous citizenship, as well as his present. Civil and naturalized citizens, the latter being the more common group, will put in their standard number under column 5, and indicate the date of acquisition, past and present, of other and future citizenships.

A distinct answer should be desired under *Previous and Present Address* as regards the amount of time spent, as well as place.

A former citizen. An alien who, after having been naturalized, has lost his citizenship, should be designated as such.

Should an alien, upon being examined, claim to be a citizen of the United States, and to have been so, should be treated as such, but the date of his naturalization should be noted.

Aliens intended to pass through and out of the United States, should be recorded under heading "In Transit." Those coming to the United States for an indefinite stay, or to remain in the United States, but not intending to pass through in transit, should be placed as "Immigrants," and placed in the appropriate column.

Children - Age and sex. Children, 14 and under, and the sexes therein should be other than Yes, Yes, cannot read and write, No, No, cannot read nor write, or Yes, No, cannot read but can write.

Children - Nationality. Children should be considered to mean the country of which the parent is a citizen or subject.

Children - Race or people. The entry in column 9 should show the race or people of alien's history, race, and also ancestry.

Special attention must be paid to the distinction between race and nationality, and manifests should be carefully read by inspectors and registry clerks in this regard. For example, a person originating from a nation does not necessarily mean "French" by race or people, and similarly. For example, appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed.

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

* "African chicks" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any chick whose appearance indicates an admixture of Negro blood should be classified under this heading.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto and Friuli) and their descendants, whether residing in Italy, Switzerland, Austria, Germany, or any other country, should be classed as Italian-*genti*. Most of these people speak a Gallo-Italic of the Italian language.

The people were native to that portion of the valley south of the basin of the River Do-
nax, comprising the Lacanja Province, the Maricao, Limón, Talpa, the Abasco and
Moles, Chiriquí, Arriba Barú, La Chubara, S. A., and Sarapiquí, and their descend-
ants should have been designated "the Indian people."

1. *Country of last permanent residence.* The entries in column 1 should show the country of last permanent residence. It is important for statistical purposes that statements of emigrants be made on the basis of last permanent residence independent of country of temporary residence and country of race.

2. *Abies citizens permanent residents of the United States and are returning from a visit abroad.* These should be recorded on manifests as United States for country of last permanent residence.

Column 11, *Final destination*. The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13, by whom was passage paid. The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 1. *Whether in possession of \$50, and if less, how much.* The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15: Whether ever before in the United States; and if so, when and where.—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

entry in column 16 should show whether going to join either a relative or friend: and if so, what relative or friend, with name and complete address.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2.—The entry in column 2 should be either M, male, or F, female.
Column 3.—The entry in column 3 should be either M, married, or S, single, W, widowed, or D, divorced.
Column 4.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, steam engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *travellers* and *other labourers* regardless of the amount of money shown, as follows:
A *traveller* is one who operates a farm, either for himself or others.
A *foreign labourer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intended to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5.—(To be read and filled.)—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write.
Column 6.—(Nationality.)—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7.—(Race or people.)—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

EUROPEAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN ORIGIN.
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po, the north, Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a dialect distinct from the Italian language.
ITALIAN (SOUTH).
The people who are native to the portions of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, south."
Column 8.—(Last permanent residence.)—The entry in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9.—(Final destination.)—The entry in column 9 should show definitely the place, city or town, of final destination.
Column 10.—(If other having ticket to such final destination.)—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11.—(By whom was passage paid.)—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12.—(Whether possession of \$20, and if less, how much.)—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13.—(Whether ever before in the United States; and if so, when and where.)—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.
Column 14.—(Going to join relative or friend; and if so, what relative or friend.)—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 18.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital Status). The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turning, etc., and not simply as farmer, polisher, molder, carter, or other indefinite designation.
A distinction should be made between *foreigners* and *alien laborers*, regardless of the amount of money shown, as follows:
A foreigner is one who operates a farm, either for himself or others.
A foreign laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming to the United States for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Can read and write). Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes—No can read but not write.
Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is citizen or subject.
Column 7 (Race or People). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people; similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence). The entry in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination). The entry in column 9 should show definitely the place, city or town of final destination.

Aliens coming to the United States only for a temporary sojourn, not intending to pass through in transit, should be recorded in this column.

Column 10 (Whether having a ticket to reach final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passage paid). The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much). The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where). The entries in column 13 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend). The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Aliens intended to pass through and out of the United States should be recorded under head of occupations as "in transit." Those coming only to a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5: (Subdivided and undivided).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes—No (can read but not write).
Column 6: Nationality.—Column 6 should be construed to mean the country of which the immigrant is a citizen or subject.
Column 7: Race or people.—The return in column 7 should show the race or people as given on list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "English" appearing on a manifest does not necessarily mean "English" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po, i. e., comprising the regions of Liguria, Piedmont, the Marches, Lombardy, the Veneto, Friuli, Trentino, and the Tyrol, and the islands of Sicily and Sardinia, and their descendants, should be classed as "Italian (north)." Most of these people speak Italian, but not the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po, i. e., comprising the regions of Liguria, Piedmont, the Marches, Lombardy, the Veneto, Friuli, Trentino, and the Tyrol, and the islands of Sicily and Sardinia, and their descendants, should be classed as "Italian (south)."
Column 8: Last permanent residence.—The return in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, authenticity, or race.
Aliens whose permanent residence is in the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.
Column 9: Final destination.—The return in column 9 should show definitely the place (city or town) of final destination.

Column 10: (Whether having a ticket to reach final destination).—The return in column 10 should be either Yes (ticket) or No (no ticket).
Column 11: (By whom was passage paid).—The return in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 12: (Whether in possession of \$5, and if less, how much).—The return in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13: (Whether ever before in the United States; and if so, when and where).—The return in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894 St. Philadelphia.
Column 14: (Going to join relative or friend; and if so, what relative or friend).—The return in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Not to be shown to passengers of vessels and aliens in transit, since to do so would be to disclose to them whether they are "tourists" or "in transit".

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Te. Warbieri G. B. of the NORD AMERICA from do
solemnly, sincerely and truly do declare That I have caused the surgeon of said vessel sailing therewith, or the surgeon
employed by him, or others thereof, to make a physical and oral examination of each and all of the aliens named in the
foregoing Lists or Manifest Sheets, 39 in number, and that from the report of said surgeon and from my own
investigation I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public
charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a
felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise
agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best
of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is
correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Collage of occupations.—The entry in column 2 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *town laborers* regardless of the amount of time shown, as follows:

A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the main who operates it.
 Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 is subdivided and the entries therein should be either Yes, Yes and read and writer, No, No and neither read nor writer, or Yes- No, can read but not writer.

Color or race or people. The entry in column 9 should show the race or people as given, but in reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term *colored* refers to the Cuban people (not Negroes)

WEST INDIAN

⁴⁴ West Indian refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent. 11-1115

The information returned on the manifest (Forms 750, 751, A and 752) should be as far as it relates to alien arrivals, including those transiting and leaving, as possible to make it agreeable with the following classifications. The reason for not including data on the manifest is given in these special instructions and is selected, in particular, so that it will cover up to the including column by, or be described by, the indexing staff. One subject to which it relates:

Column 7, Age. — The column is to be in numbers and to be expressed in years, not months, the latter applying only to those not at least 12 years of age.

Column 8, Sex. — The column is to be in French, *M* for male and *F* for female.

Column 9, Marital or single. — The entry in column 9 should be *M* married, *S* single, *V* widowed, or *D* divorced.

Column 10, Type of passport. — The entry in column 10 should be *Pass* (passports), *Permit* (permits), *Visa* (visas), or *Provisional* (provisional or provisional of some sort). Examples: *Permit* (for example, French, British, etc.); *Visa* (any, temporary, etc.); *Pass* (any, ordinary, brass, provision, steel, paper, iron, metal, wood, tin, etc.); and *Provisional* (any, temporary, permit, soldier, foreign, of other countries, design, etc.).

A description of the type of passport is given in *Foreigners and French Citizens* (reference to the French name), shown as follows:

A foreigner is one who operates in France, either for himself or others.

A French citizen is one who works on a farm for the main support of his life.

Steamships companies should make this distinction on the manifest, and if circumstances should be made it necessary, by inspectors and agents, during the passenger examination and check-out.

Column 7, 1, 2, 3, 4, 5, 6, 7, and 8. — Column 7 is subdivided and the entries therein should be given *Yes*, *Yes and read*, and *Write*. *No* (No can neither read nor write), *Yes* (No can read but not write).

Column 9, Age and nationality. — Column 8 should be as far as to mean the country of birth, and *Yes* or *French* as to nationality.

Column 9, Marital or single. — The entry in column 9 should show the rate or people as married or not on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and agents, clerks in the regional offices, etc. (France appears as *French* and not necessarily mean *French*). Examples: *French* (any, and similarly, *French* = appearing on manifest does not mean *French* = France = by nationality). An alien who is French, German, or Hebrew is not to be properly come under the heading of *United Kingdom* or any other country, it should be, in this connection the following distinctions should be specially

in the University of *Naples* and that I have made a personal examination of *10*
each of the aforesaid works, and that the foregoing Lists or Manifest Sheets,

SPECIAL INSTRUCTIONS FOR FILLING: ARIAN MANHUR, SR.,

The information returned on the manifest, Forms 500, 500-A, and 500-B, as far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 15, by a descriptive title indicating briefly the subject to which it relates.

Column 7 Age. — The return of age (in duplicate) should be expressed in years, not months, the latter applying only to those under 1 year of age.

Column 8 Sex. — The entry in column 8 should be either M (male) or F (female).

Column 9 Married or single. — The entry in column 9 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupations).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationer; engineer, locomotive engineer; mining engineer; brass finisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder or turner, or other indefinite designations.

A distinction should be made between *farmers* and *para farmers* regardless of the amount of money shown, as follows:

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the post-arrival examination of their arrivals.

Column 7: Able to read and write. — Column 7 is subdivided and the entries therein should be either Yes/Yes (can read and write), No/No (can neither read nor write), or Yes/No (can read but not write).

(*Column 8: Nationality*). — Column 8 should be construed to mean the country of which one's self is a citizen or subject.

tribes and clans or people. - The entry in column 9 should show the race of people and a list on reverse side of when manifest.

It is emphasized that it should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and registry clerks in the register. For instance, a French appearing on a manifest does not necessarily mean a Frenchman, or people, and similarly, a French appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Hebrew may have properly come under the heading of British Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CLEAN

The *Journal of Democracy* belongs to the Cuban people (not Neoross).

WEST INDIAN

• A. to the people of the West Indies other than Cuba (not Negroes)

$$81.4\% \leq \text{H} \cdot \text{MIL} \leq 91.4\%$$

* Spanish American refers to the peoples of Central and South America of Spanish descent.

MURDOCH ET AL.

* African slaves, or rather, Indian African Negroes, who had come from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who, apparently, indicates an admixture of negro blood should be classified under this heading.

DAVIDIAN · November

The people whose name derives from the basin of the River Po in northern Italy, i.e., counterparts of *Floumenet*, *Lombard*, *Veneto*, and *Emilio* and their descendants, whether residing in Italy, Switzerland, or any other country, should be classified as Italian people. Most of these people speak a Gallic dialect of the Italian language.

HALLINAN AND THOMAS

The people who are native to that portion of Italy south of the Basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, **Apulia**, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be expressed as **• Italian (southern) •**

Column 11 (*Final destination*). — The entry in column 11 should show the *country and city or town of last permanent residence*, instead of the province, city or town.

Column 12: Whether having a ticket to each final destination. The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should list definitely by whom passage was paid, as self; husband; father; brother; or other relative; friend; company; or company's agent.

Column 11 Whether in possession of \$50, and if less, how much. The entry in column 11 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

The entries in column 15 should show whether or not (Yes or No) in the United States.

Column 11 (Going to join relative or friend): and if so, what relative or friend.
= The entry in column 10 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. - The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information furnished on the manifest, Forms 500, 500-A, and 500-B, so far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following classifications. The number of those shown on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating fully the subject to which it relates.

Column 1, *Age*.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4, *Sex*.—The entry in column 4 should be either Male or Female.

Column 5, *Married or single*.—The entry in column 5 should be either Married, S (single), Wid (widowed), or Div (divorced).

Column 6, *Calling or occupation*.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite designations."

A distinction should be made between *farmers* and *free laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *free laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and entries thereon should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7, *Can read and write*.—Column 7 is subdivided and the entries thereon should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8, *Nationality*.—Column 8 should be confined to mean the country of which an alien is a citizen or subject.

Column 9, *Race or people*.—The entry in column 9 should show the race or people of an alien as set on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard, to wit: *French* appearing on a manifest does not necessarily mean a Frenchman, but may mean a Frenchman by nationality. An alien who is Irish, German, or Italian, because he is properly considered the landing of United Kingdom or any other country by nationality, in this connection the following distinctions should be especially noted:

CUBAN.

The entry "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

West Indian refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN-AMERICAN.

African-American refers to the African Negroes, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po in northern Italy, i. e., part pertaining to Piedmont, Lombardy, Venetia, and Lombrina and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as Italian (North). Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i. e., part pertaining to Campania, Lucania, Calabria, Basilicata, Apulia, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classified as Italian (South).

Column 10, *Last destination*.—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11, *Final destination*.—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12, *Whether having a ticket to such final destination*.—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13, *By whom was passage paid*.—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14, *Whether in possession of \$20, and if less, how much*.—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15, *Whether prior to five in the United States; and if so, when and where*.—The entries in column 15 should show whether or not (Yes or No) in the United States before and after the year for period of years and places; as, 1891-97, Philadelphia.

Column 16, *Going to join relative or friend; and if so, what relative or friend*.—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. —The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR N.º 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest, Forms 500, 500 A, and 500 B, as far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following classifications. The name of the alien on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10 by a descriptive title indicating the subject to which it relates.

Column 2, Age. — The return of age in column 2 should be given in years, or months, the latter applying only to those under 1 year of age.

Column 3, Sex. — The entry in column 3 should be either Male or Female.

Column 4, Married or single. — The entry in column 4 should be either Married, Single, Wid. or divorced, or B. (bachelor).

Column 5, Calling or occupation. — The entry in column 5 should be descriptive as accurately as possible, the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationer, engineer, locomotive engineer, mine engineer, house painter, steel painter, iron molder, wood turner, etc., and not simply as engineer, painter, grinder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7, Able to read and write. — Column 7 is subdivided and the entries therein should be: (a) Yes (Yes can read and write, No (No can neither read nor write), or Yes (No can read but not write).

Column 8, Native birth. — Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9, Race or people. — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a Frenchman appearing on a manifest does not necessarily mean a Frenchman, or a Frenchman appearing on a manifest does not necessarily mean a Frenchman by nationality. An alien who is Irish, German, or Hebrew should properly come under the heading of United Kingdom or any other nationality. In this connection the following distinctions should be specially noted.

CUBAN.

The information returned on the manifest, Forms 500, 500 A, and 500 B, so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 9 (Race or people).—The entry in column 9 should show the race or people of each alien as given on the reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean a Frenchman, but may mean a French subject, or a French citizen, or a French subject of another nationality. Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Affidavit of the Master or Commanding Officer, or First or Second Officer.

De Barbieri G. J. of the *% Nord America* from *Palermo* do solemnly swear and truly declare that I have caused the surgeon of said vessel, sailing therefrom, or the surgeon employed by the vessel, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in order, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot or insane person, or a peeper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime in any foreign country, including moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is true and true in every respect.

Commanding Officer

Affidavit of Surgeon.

Prof. Agostino Surgeon of the *% Nord America* sailing therefrom do solemnly swear and truly declare that I have had *10* years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of *The Italian Government* in the University of *Naples* and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Agostino Prof.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No 43.

SPECIAL INSTRUCTIONS CONCERNING ALIEN MANIFESTS.

The information returned on the manifest, Form 500, 501 A, and 501 B, so far as it relates to alien arrivals including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16 by a descriptive title indicating briefly the subject to which it relates.

Column 1. Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex.—The entry in column 2 should be either "Male" or "Female."

Column 3. Marital or single.—The entry in column 3 should be either "Married," "Single," "Widowed," or "Divorced."

Column 4. Description of occupation.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron fitter, wood turner, etc., and not simply as chef, cook, waiter, soldier, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *free laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A free laborer is one who works on a farm for the man who operates it. Steamship companies should make this distinction in the manifests, and consular officers should be careful, if necessary, to inspect and verify during the personal examination of alien arrivals.

Column 5. Able to read and write.—Column 5 is subdivided and the entries therein should be either "Yes," "Yes can read and write," "No," "No can neither read nor write," "Yes can read but not write," or "No."

Column 6. Nationality.—Column 6 should be construed to mean the country of which the alien is a citizen or subject.

Column 7. Race or people.—The entry in column 7 should show the race or people of, or descent of, each alien arrival.

Special attention should be paid to the distinction between race and nationality, and consular officers should be carefully advised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" race of people, and similarly, "French" appearing on a manifest does not necessarily mean "France" as nationality. An alien who is Irish, German, or Hebrew, if he properly comes under the heading of United Kingdom or any other country, is not Jewish. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuba" refers to the Cuban people (not Negroes).

WEST INDIAN.

The people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the W. Indies, North or South America, Europe, or Africa. Any other designation, such as "Colored," should be classified under the heading "African (black)."

ITALIAN (NORTH).

The people who are a race in the basin of the River Po in northern Italy, as seen particularly in Piedmont, Lombardy, Veneto, and Trentino and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, as in the departments of Liguria, Tuscany, Marche, Umbria, Apulia, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian (south)."

Column 10. Last residence.—The entry in column 10 should show the country and city or town of last permanent residence, instead of the previous city or town.

Column 11. Final destination.—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12. Whether having a ticket for such final destination.—The entry in column 12 should be either "Yes," "Ticket," or "No," on the ticket.

Column 13. How alien was passing port.—The entry in column 13 should show definitely by what passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14. Whether in possession of \$20, and if yes, how much.—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15. Whether ever before in the United States; and if so, when and where.—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16. Going to join relative or friend; and if so, what relative or friend.—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2. Sex.—The entry in column 2 should be either M (male) or F (female).
Column 3. Married or single.—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4. Calling or occupation.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5. Able to read and write.—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6. Nationality.—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7. Race or people.—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUHAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
"Spanish-American" refers to the people of Central and South America of Spanish blood.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8. (Last permanent residence).—The entries in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9. (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10. (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11. (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12. (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13. (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place, as, 1894-95, Philadelphia.

I, John J. Smith, of the U.S.S. Albatross, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome, or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 15 day of June, 1906

I, John J. Smith, Surgeon of the U.S.S. Albatross, do solemnly, sincerely, and truly swear that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Surgeon General, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 15 day of June, 1906

Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

11-1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age. The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry in column 2 should be either M. male, or F. female.

Column 3. Marital status. The entry in column 3 should be either M. married, Single, Wid. widowed, or D. divorced.

Column 4. Occupation. The entry in column 4 should describe, as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, and not simply as engine, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5. Able to read and write. Column 5 is subdivided and the entries, if any, should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 6. Nationality. Column 6 should be construed to mean the country of which an alien is a citizen or subject.

Column 7. Race or people. The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people; similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose occupation indicates an administrative Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Puglia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

Column 8. Last permanent residence. The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9. Final destination. The entry in column 9 should show definitely the place, city or town of final destination.

Column 10. Whether having a ticket to each final destination. The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11. By whom was passage paid. The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12. If in possession of \$20.00 or less, how much. The entry in column 12 should give the exact amount of money (individual or family) the exact amount of money shown.

Money brought by a head of a family should not be divided among the several members of the family.

Column 13. Whether ever before in the United States, and if so, when and where. The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 14. Group to which attached or friend. The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 to 17. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. The age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. The entry in column 2 should be either M (male) or F (female).

Column 3. Married or single. The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4. *Occupation or profession.* The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived last, or sample (Civil agent, stationer, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmers. Those who operate a farm, either for himself or others.

Farm laborers. Those who work on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 5. *Can read and write.* Column 5 is subdivided and the entries thereon should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes (No, can read but not write).

Column 6. *Nationality.* Column 6 should be construed to mean the country of which an alien is a citizen or subject.

Column 7. *Place of birth.* The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, but "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might be born in France, under the heading of United Kingdom or any other country, by nationality. In such connection the following distinctions should be specially observed:

EUROPEAN.

The term "European" refers to the Caucasian people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in southern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 8. *Last permanent residence.* The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of emigration.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9. *Final destination.* The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10. *Whether having a ticket to such final destination.* The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11. *By whom and where passage paid.* The entry in column 11 should show definitely by whom passage was paid (as self, husband, father, brother, or other relative; friend; steamship company; etc.).

Column 12. *Whether in possession of \$20, and if less, how much.* The entry in column 12 should give in each case (individual or family) the exact amount of money owned.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13. *Whether ever before in the United States; and if so, when and where.* The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year for period of years and place; as, 1891-92, Philadelphia.

Column 14. *Going to join relative or friend, and if so, what relative or friend.* The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15. *When arrived in U. S.* The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, John J. Smith, Master of the U.S.S. Albatross, from San Francisco, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an occupation, polisher, molder, turner, or other indefinite designation.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak the dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".
Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passport paid).—The entry in column 11 should show definitely by whom passport was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Giving to join relative or friend; and if so, what relative or friend; and if so, what relative or friend, with name and complete address).—The entries in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male), or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, coal miner, etc., and not simply as engineer, polisher, moulder, miner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No—No (can neither read nor write), or Yes. No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands, the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket for such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom last passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether on possession of \$20, and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 20.—The questions in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2.—The entry in column 2 should be either M (male) or F (female).
Column 3.—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4.—The entry in column 4 should describe, as far as possible, the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mine engineer, brass polisher, stock polisher, cabinet maker, wood carver, etc., and not simply as engineer, polisher, miller, tinner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
Farmers are those who operate a farm, either for himself or others.
Farm laborers are those who work on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the manifest.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "residents," and "head of occupation."
Column 5.—The entry in column 5 should be subdivided and the entries thereon should be either Yes, Yes-can read and write, No, No-can neither read nor write, or Yes-No-can read and write.
Column 6.—The entry in column 6 should be construed to mean the country of which the alien is a citizen or subject.
Column 7.—The entry in column 7 should show the race or people to which the alien belongs, as given on the reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race, but "French" by nationality. An alien whose race is French, or Italian, or Hebrew, by race, might properly come under the heading of United Kingdom, or any other country by nationality. But when coming from the following distinctions should be specially observed:
AFRICAN (BLACK).
The term "African" refers to the African people (not Negroes).
WEST INDIAN.
The term "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
The term "Spanish-American" refers to the people of Central and South America of Spanish race.

AFRICAN (BLACK).
The term "African" refers to the African people (not Negroes).
WEST INDIAN.
The term "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
The term "Spanish-American" refers to the people of Central and South America of Spanish race.
ITALIAN (NORTH).
The people who are natives of that portion of Italy north of the River Po, i.e., compartments of Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a dialect distinct from the Italian language.
ITALIAN (SOUTH).
The people who are natives of that portion of Italy south of the River Po, i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian (South)."
Column 8.—The entry in column 8 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9.—The entry in column 9 should show definitely the place, city, or town of final destination.
Column 10.—The entry in column 10 should show whether or not Yes or No in the United States before, on the United States, and if so, when and where.

Column 11.—The entry in column 11 should show whether or not Yes or No in the United States before, on the United States, and if so, when and where.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, John J. Smith, Master of the SS. "Hiram", do solemnly swear and truly depose that I have caused the surgeon of said vessel sailing the berth, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 17th day of June, 1906

State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1: Age.—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2: Sex.—The entry in column 2 should be either M (male) or F (female).
Column 3: Married or single.—The entry in column 3 should be either Married, Single, Widowed, or Divorced.
Column 4: Calling or occupation.—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5: (Alien forward and write).—Column 5 is subdivided and the entries therein should be, *either* Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6: Nationality.—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7: Race or people.—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Asia. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the parts of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12: (Whether having a ticket for such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13: (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14: (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15: (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891-97, Philadelphia.

Column 16: (Given to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show to join either a relative or friend, and if complete address.

The columns are subject to revision by any

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital condition). The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel painter, iron moulder, wood turner, etc., and not simply as engineer, painter, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write.
Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHINESE.
The term "Chinese" refers to the Chinese people, not Negroes.
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish race.

AFRICAN (black).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence). The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination). The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid). The entry in column 11 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friend, steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much). The entry in column 12 should give in each case individual or family the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where). The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.
Column 14 (Going to join relative, or friend, and if so, what relative or friend). The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Column 15 (Remarks). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States, and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to reach final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage was paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if not, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and also, the year (or period of years) and place, as 1897-98, Philadelphia.

Column 16 (Going to join relatives or friends; and if so, what relative or friends).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mine engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply assembler, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists," under head of occupation.
Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in last column reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Belgian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

HISPANIC-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish blood.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West India, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to reach final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ and if not, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1890 or Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 (In ?).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M. (male) or F. (female).

Column 3 (Married or single).—The entry in column 3 should be either M. (married), S. (single), W. (widowed), or D. (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifestant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.
"West Indian" refers to the peoples of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish race.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20. and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-95, Philadelphia.

Column 14 (Whether to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which the migrant is a citizen or subject.
Column 7 (Former people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegnia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to enter permanent nation).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1904-05, Philadelphia.

Column 16 (To join to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
 A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
 A *farmer* is one who operates a farm, either for himself or others.
 A *farm laborer* is one who works on a farm for the man who operates it.
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
 Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists;" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
 Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people; similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race. Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as the husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$5. and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entry in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 37, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show a brother, going to join other a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the peoples of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)."
Most of these people speak a dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not "Yes" or "No" in the United States before; and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wool turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Native or foreign).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew, by race, might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

EUROPEAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cubans and Negroes.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish

11-1115

AFRICAN PEOPLES

"African (black)" refers to the African Negro, whether coming from Cuba or other islands; the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket), or No (no ticket).

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1884, St. Philadelphia.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1884-87, Philadelphia.

Column 14 (Giving names of relatives or friends; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.
The information returned on the manifest (Forms 500, 500 A, and 500 B) so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases, up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.
Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or U (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, trimmings, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.
Column 8 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in the manifest, and the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of "United Kingdom" or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (non Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.
AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an African (black) should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po, i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."
The people who are native to that portion of Italy north of the River Po, i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether coming in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po, i.e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."
The entry in column 10 should show the country, and the alien's last permanent residence, instead of the present city, or town.
Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1891 or 1897, Philadelphia.
Column 16 (Giving to pay relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join other a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The people who are native to that part of Italy south of the basin of the River Po are called *popoli di lingua Tassiana*. They are: *Umbro*, *Laziano*, *Abruzzo*, *Molise*, *Capuano*, *Apulo*, *Spulano*, *Campano*, *Saruno*, and *Sarabiano*, and their descendants living in

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in Column 1 should be expressed in years or
months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married),
S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accu-
rately as possible the occupation, trade, or profession of each alien arrival, as for example,
Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher,
steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder,
turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the
amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections
should be made, if necessary, by inspectors and registry clerks during the personal exam-
ination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded
under head of occupations as "in transit" (those coming only from temporary sojourn in
the United States, but not intending to pass through in transit, should be classed as
"tourists" under head of occupation).
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein
should be either Yes (Yes can read and write), No (No can neither read nor write), or
Yes (No can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of
which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people
as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and
manifests should be carefully revised by inspectors and registry clerks in this regard.
For instance, "France" appearing on a manifest does not necessarily mean "French" by
race or people, and similarly, "French" appearing on a manifest does not necessarily
mean "France" by nationality. An alien who is Irish, German, or Hebrew by race
might properly come under the heading of United Kingdom or any other country by
nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish
descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other
islands of the West Indies, North or South America, Europe, or Africa. Any alien whose
appearance indicates an admixture of Negro blood should be classified under this
heading.
ITALIAN (NORTH).
The people who are native to that portion of the basin of the River Po in northern Italy (i. e., com-
partments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and
Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descend-
ants should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po
(i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and
Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descend-
ants should be classed as "Italian (south)".
Column 8 (Last permanent residence).—The entries in column 8 should show the
country, and city or town of last permanent residence. It is important for statistical
purposes that steamship companies accurately show country of last permanent residence
independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a
visit abroad, should be recorded on manifests as United States for country of last perma-
nent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the
place, city or town of final destination.
Column 10 (Whether having a ticket for such final destination).—The entry in column
10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show defi-
nitely by whom passage was paid, as self, husband, father, brother, or other relative;
friend; steamship company, etc.
Column 12 (Whether in possession of \$5, and if less, how much).—The entry in
column 12 should give in each case (individual or family) the exact amount of money
shown.
Money brought by the head of a family should not be divided among the several
members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where).—
The entries in column 13 should show whether or not (Yes or No) in the United States
before; and if so, the year (or period of years) and place; as, 1891-95, Philadelphia.
Column 14 (Going to join relative or friend, and if so, what relative or friend).—The
entry in column 14 should show whether going to join either a relative or friend; and if
so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any
inspection officer in the examination of aliens.
